Dear Pastors and Supporting Churches,

Hope everyone had a wonderful New Year and looking forward to what the Lord will do this year! Thank you for your faithful support and the Lord bless you is our prayer.

The print shop is excited to witness the Lord's working already. In our previous newsletter you were informed of our purchased air compressor; we praise and thank the Lord for providing all the funds. Two individual families gave toward this effort and praise the Lord the compressor is paid for, installed and running.

Also in December we were able to purchase a truckload of paper that was delivered in January.

Well, we were printing 80,000 Spanish John and Romans when the folder decided to throw a bolt shutting the press down rather abruptly resulting in bending a cylinder. Mr. Allen Tatum from Tatum press came on Monday, Jan 30th to look at and access the damage. He will manufacture, the cylinder install it on Tuesday Feb. 14th. We do not know the whole cost of the repairs yet, but the cylinder will be some where around \$800.00 not counting labor, the bearings, jaws, tucker blades, etc. One thing we know, the Lord will provide the funds to repair it. We serve and awesome Saviour who is able to do abundantly above what we think. Jehovah-jeriah (the Lord will provide), he has and he will.

This is all good news because Romans 8:28 says "And we know all things work together for good to them that love God, to them who are the called according to his purpose." I believe this goes for anyone and ministries that love God.

On Thursday, January 26th we shipped 42,000 pounds (one truck load) of Bibles, computers, educational material and song books to Liberia. Bro. Feghaly along with several churches provided the material. Our print shop along with Bro. Bobby Lemmon of Bible and Literature Foundation worked together to get the Bibles for the shipment. Praise the Lord for other ministries willing to help meet a need!

Our annual Bible Publishing Month Telethon will be the weekend of May 20th, 26th, and 27th. This will be our 14th year the local cable television in our area has sponsored this. Our goal this year is \$250,000.00. We have several opportunities to get Bibles into countries that have been blocked and are opening up and we want to take this opportunity to strike while the doors are opened. Please pray and seek the Lord's will in this matter. We will be informing you more in the next letter.
