Dear Pastors and Supporting Churches,

Praise the Lord! God is so good!

Thanks to all of our supporting churches who contributed to our Bible Publishing Month Telethon we had on May 21st, 27th and 28th. It was a great success. The Lord blessed us with our goal plus!

Our goal was \$125,000.00 and the Lord gave us over \$126,000.00. Like I said God is so good!

With the money raised we will be able to buy the four color Presstek offset press, which we will use to print our color covers for the scriptures. Also we will be able to buy around 3 truckloads of paper.

We have already purchased a truck load of paper and it was delivered on June 13th.

The press that we were looking at which the asking price started out at \$75,000.00 and by the time we contacted the company that had it the cost was dropped to \$60,000.00. After talking to one of the owners and telling him about our Bible Publishing Month telethon and what our ministry does, he watched us on live stream and left us a message to call him. We returned the call and he told us to forget about the prices we had seen and if the press would work for what we do we could have it for \$37,000.00. That is \$23,000.00 off the asking price. We told him we would take the press. Now it will cost around \$18,000.00 or maybe more to have it taken apart, shipped and reassembled, which will be a total of \$50,000.00 to \$52,000.00. We had set aside \$50,000.00 from the telethon for the press. The Lord knew exactly what we would have to have and we praise the Lord for leading us to an owner who is a Christian and has a heart for missions and to get the Word of God to those who have yet to hear the wonderful message of salvation!

Once again thank you to all who had a part in helping us to reach the goal. May God richly bless you as you continue serving the Lord.

A special thanks to Brad Jones and channel 12, Oak Ridge, TN for hosting our telethon.

We would also like to thank Alan Williams of WVLT-TV8 for helping us with the telethon and for the very nice piece he did on the ministry.

We just finished collating 40,000 English New Testaments and are now collating 40,000 Spanish New Testaments.
