Dear Pastors and Supporting Churches,

Thank you for your faithful prayers and support for this ministry. We praise the Lord for all the good things he is allowing us to do. We praise the Lord for the doors he is opening! We have been able to help Spreading God's Word Ministry, Bro. Chris Russell who was able to get several hundred of our English Bibles into Pakistan over the last month. We also have acquired a couple of offset presses and a single knife cutter for them to use in Pakistan to print the word of God in that country. Praise the Lord! The pictures in the newsletter are from Bro. Russell when he was in Pakistan.

On going project: We also are still working on what we call the "360 Project", this is going on now and will continue as long as needed. In the United States there are over 360 different ethnic groups. **We literally have the world in the United States of America.** Think about it for a minute, you don't have to go around the world to find someone speaking Spanish, French, Russian, Japanese, Korean, Chinese, Hindi, French Creole, Arabic, I could go on. They are here; God has made this opportunity for us and you to reach these people with the Gospel of Jesus Christ. Then these people whom God loves will tell their families what God has done in their lives and how they can experience the love of God in their hearts. This to me is amazing! We need church planters in the states to go to these ethnic groups all over America. What a mission field we have in our own country! Right now we have been sending booklets of John and Romans in Spanish, English, Portuguese and other languages to church planters here in the states. We are working on several languages right now to get them ready for church planters, and pastors to use in their area. Will you pray for God to give us the languages we need in order to reach these people with the Gospel in their own language. **The need is GREAT!** *Mark 16:15 is still in the bible and God has not changed his method; "...Go ye into all the world, and preach the gospel to every creature."*

Korean John and Romans: Of the 500,000 Korean John and Romans we are printing, we now have around 100,000 completed. When we get 300,000 we will ship them out. Not only is the need great in America but we still need to reach the rest of the world. We still have projects we are working on for Honduras, Guatemala, and other countries. *Acts 1:8 "...and ye shall be witnesses into me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."*

Prayer Need: We are in desperate need for a new perfect binder. I have contacted some companies and am awaiting their response of what the cost will be. Please pray for the equipment needed for the best price. (we want the one the Lord wants the ministry to have) Also for wisdom to make the right choice after receiving all the information.
